This traditional country pub is in the village of Shimpling, just off the A134 between Bury St Edmunds and Sudbury. There is a cosy bar area, all old exposed beams and a welcoming fire, plus a large restaurant which can seat up to 100 people. The Pub is open between noon and 3.00 pm and 5.30 pm to 11.00 pm daily (but excluding Mondays, when we open between 5.30 pm and 11.00 pm.) The food is traditional and locally sourced - not fussy, but very tasty - especially the steaks, home made pies and curries. Ales are from local brewers, with Woodforde's ales always available.

We recommend you book in advance to avoid disappointment.

Call now on 01284 828257 to confirm your booking.
